An open invitation to share our common cultural heritage

Tourism is one of the leading and fastest growing economic developing sectors in South Africa. Situated in the northern part of KwaZulu-Natal, Nongoma Municipality offers tourists the opportunity to step back in time and experience royal cultural ceremonies. As the royal city (IHlalankosi) Nongoma has six royal palaces which gives tourists a unique visit to yesteryears.

Using our unique position when it comes to Zulu cultural heritage, we acknowledge that cultural heritage activities not only preserve and enhance our unique, irreplaceable resource, but that such activities have the potential of providing a stimulus to many other areas as well.

Among tourist attractions Nongoma boasts Royal Palace Routes and the Battlefields of Msebe, Otshaneni, Esokosoko, eMajubaneni and KwaNdunu. To complete the Zulu histriography tourists can also visit surrounding areas which include Ulundi’s Emakhosini Heritage Park, the Ithala Game Reserve and associated private sector game farms in uPhongolo and the tourism initiatives around the Pongolapoort Dam.

I invite you to come and share our common cultural heritage.

MAYOR ALBERT MNCWANGO
Nongoma Tourism Organisation

Nongoma Tourism Organisation (NTO) is the public face of Nongoma Municipality Tourism Office. The goal: to deliver a single, focused message that Nongoma is a unique, year-round cultural heritage destination with much to offer local and international tourists.

The organisation maintains an events calendar covering the municipality. It offers information and assistance specific to the needs of the tour operators, annual cultural event planners and travel media.
IHlalankosi - The Royal City

Nongoma Municipality is located in the centre of northern KwaZulu-Natal. It is one of the five local municipalities of the Zululand District Municipality and has three traditional authorities, named Mandlakazi, Usuthu and Matheni. It is the only area in the world which has six Royal Palaces.

It is strategically located on the R66 between Ulundi (55Km) and Pongola, and the R618 between Hlabisa at the Hluhluwe-Imfolozi Park and Hlobane, near Vryheid. Durban is 300km south. The Black Umfolozi River flows about 15km south of town. The town serves as a marketplace for the surrounding rural areas. Nongoma is surrounded by international tourism attractions such as the iSimangaliso Wetland Park to the east, and by natural tourism attractions such as the Hluhluwe-Imfolozi Game Reserve to the south. In addition to this, the current King of the Zulu nation resides in Nongoma, and therefore the municipality is considered as the Heart of the Zulu kingdom (IHlalankosi).
